

Year 4: Summer Term 2

Reading Books

Reading books will be **changed** as needed, they will not be changed until the book has been finished. Daily reading of the book should be completed so please ensure the reading records are filled in.

PE – Wednesdays

Please send your child to school in their full PE kit on their PE day each week. Please ensure that **earrings are not worn**, or can be removed **independently** by your child. Long hair should be tied back.

Class Dojo

We will continue to put messages and homework on Class Dojo. Please get in contact if any problems arise.

Homework

Homework will be set on Fridays via Class Dojo, alternating between Maths and English. Once completed, please add it to the necessary portfolio for myself to check. In addition, a challenge homework is set half termly. This is an opportunity to complete a task relating to foundation subjects, e.g. Science/History etc. This homework can be brought into school.

Class Information

Year 4

Summer Term 2 2022

We hope you find the following information helpful about your child's class. We have included details on how we will be supporting your child in school.

This half term we will teach the Year 4 curriculum, as well as continually assessing and filling in any gaps from the previous learning.

You will find a brief overview of the curriculum content for English and Maths as well as support for your child's well-being. Information about other subjects will be sent separately in a more detailed 'Knowledge Organiser'. This information is designed to give you a flavour of what the children in Year 4 will be learning this half term as well as some more detailed information on the knowledge we expect children to know at the end of this half term.

Many thanks for your support.

Miss Tuvey, Mr Furzey and Miss Watkins.

English

In English this half term Year 4 will be learning to write an explanation text having studied the model text 'How a Jellyfish Stings'. Year 4 will develop an understanding of the key features needed to write an explanation text through the Talk 4 Writing method before writing their own.

The class text we will be reading this half term is 'Until I Met Dudley' by Roger McGough.

Year 4 will be consolidating aspects of Spelling, Punctuation and Grammar from the Year 4 curriculum.

Maths

In Maths this half term, Year 4 will begin looking at statistics, focusing on interpreting bar charts, pictograms and line graphs. We will then move onto position and direction introducing coordinates and exploring their positioning on a grid. Finally we will be looking at properties of shapes, with a focus on angles, turns and lines of symmetry. Lessons will include reasoning, problem solving and fluency skills. Maths will be taught through the mastery approach combining Maths No Problem and White Rose Maths. In lessons children will use a variety of resources to help them.

We will continue to work on arithmetic through daily sessions, as well as focusing on times tables.
