EYFS: Term 5

English

We will be continuing to learn stories using actions in order to be able to retell them. We will create story maps of the events in each story and children will have a go at creating their own story maps and writing. This half term our story is The Little Red Hen.

Maths

This half term we will be looking at making and exploring simple and more complex patterns. We will be looking at teen numbers, focussing on the composition of the number - 10 and how many more. We will also be adding and subtracting by counting on and back.

Phonics

We will be following 'Read, Write Inc' as a method of learning our phonic sounds, and how to use them to read and write. Children are grouped by ability and work with other children who are the same level as themselves.

Discovery RE

Story time.

We will read a variety of stories such as Aesop's Fables, and stories from different religions.

We will be asking 'What can we learn from these stories?'
