

Reading

Children will all have received a phonics book, which can be kept at home for practise. Once your child knows most of their sounds, and can blend them to make words, they will bring home a Sound Blending book. This is the first step in the Read Write Inc home reading series, and enables your child to practise their blending and reading of cvc (consonant vowel consonant) words. Please keep these Sound Blending books in your child's book bag, and we will change them on a **Friday**. Your child can continue to take home a story book from our Book Corner, which they can change as often as they like.

Homework challenges

Please explore the homework challenge menu for this half term. Work can either be posted on Dojo or brought into school.

PE

PE lesson continue to be on a **Thursday**. Please remember to name all of your child's PE kit, as clothes can get in rather a muddle when we are getting changed!

Class Information Year R Autumn Term 2 2021

We hope you find the following information helpful in supporting your child this half term. This information is designed to give you a flavour of what the children in Reception will be learning this term, as well as some more detailed information on the knowledge we expect children to know at the end of this term.

Many thanks for your continued support.
Mrs Kosecki

English

We will be learning a new story using actions. We will create story maps of the events in the story and children will have a go at creating their own story maps and writing. The story we will explore is 'The Three Little Pigs' by Pie Corbett.

Children will have daily phonics sessions following Read Write inc. During these sessions we will learn to recognise letter sounds to help us to read and write words.

Maths

We will use and explore the CBeebies programme 'Numberblocks' to teach the children an understanding of the numbers and the number system. We will be consolidating our knowledge of numbers 0-5, including adding and taking away.

Children will have opportunity to explore maths independently as well as in groups with an adult.

Discover RE

We will be focusing on the topic of Christmas and thinking about the question; What is Christmas? This will involve exploring Christianity.

Children will have the opportunity to listen to stories, join in with discussions and complete activities based around weekly topics.
