Year 4

Homework Challenge Summer 1 2024

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, Maths and English homework that are set. The homework is **due on Friday 17th May** and Year 4 will showcase their challenges to parents on **Monday 20th May**. Submitted homework challenges can either be brought in OR you can take a photo of the finished piece and upload it to Class Dojo Portfolio Page named 'Challenge Homework Spring 2 2024'.

<p><u>Art – Embroidery and Needlework</u></p> <p>Create your piece of artwork!</p> <p><i>Make your own piece of artwork, using the stitches we have learnt and practised, and using your weaving skills. You could make a tapestry, follow from a design you've seen, Be creative as you can!</i></p> 	<p><u>Maths – Times Tables</u></p> <p>Times Table Snap</p> <p><i>Cut out some pieces of paper and write some multiplication number sentences on them, then on another piece of paper write the answer. Turn your cards over and play snap with a family member/friend. Who can match up their snap cards the quickest?</i></p> 	<p><u>RE – Buddhism</u></p> <p>Make a poster about making good choices</p> <p><i>Create a poster promoting making good choices. This could be choices at home, or at school. Imagine you are trying to persuade someone that making the right choice leads to rewards. What does it mean to make a 'good' choice? What do Buddhists believe?</i></p> 
<p><u>French – Food</u></p> <p>Create your own French menu</p> <p><i>Using all your key vocabulary and knowledge from the unit, write a detailed menu including a starter, main and dessert. How creative can you be? What season/special event is your menu tailored for? Bring it in to show the class</i></p> 	<p><u>PSHE – Relationships</u></p> <p>Have fun with your family/friends!</p> <p><i>In PSHE, we have been looking at the importance of relationships and the sense of belonging. Spend some quality time with your family/friends whether that be baking, board games, crafts, going outdoors. Take photos of what you decide to do and share it with the class!</i></p> 	<p><u>Science – Electricity</u></p> <p>Design your own electric circuit</p> <p><i>Using all your knowledge of circuits and electricity, design your own electric circuit. How many wires, bulbs, buzzers, and batteries will you need? Label your diagram and bring it in to show the rest of the class.</i></p>
