

Reading Books

Reading books will be changed once per week on a Friday. ***Please note that your child will only receive a reading book once they are confidently able to blend sounds for reading***. In addition we will be sending home a library book for you to share with your children. These will also be changed on a Friday.

Homework Challenges

Please don't forget to explore the homework challenge menu. All photos need to be posted onto dojo ready for our homework challenge afternoon on the_

PE - Thursday

Please ensure that **earrings are not worn**, or can be removed **independently** by your child. Long hair should be tied back.

We will be doing PE outside for as much of the time as possible so please wear dark coloured tracksuit bottoms and a sweat shirt when the weather is cooler.

Please contact me via Dojo if you have any questions or concerns about your child.

Class Information EYFS

Autumn Term 2 2024

We hope you find the following information helpful about your child's class.

We have included details on how we will be supporting your child's return to school over the coming weeks.

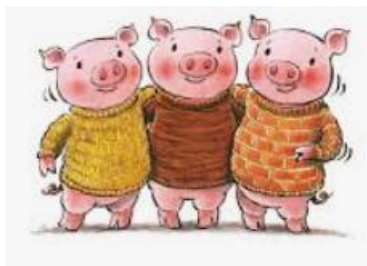

This term we will be covering all 7 areas of learning and development in the EYFS curriculum, as well as continually assessing children each half term.

You will find a brief overview of the curriculum content for Literacy and Maths. Information about other subjects will be sent separately in a more detailed 'Knowledge Organiser'. This information is designed to give you a flavour of what the children in Reception will be learning this term as well as some more detailed information on the knowledge we expect children to know at the end of this term.

Many thanks for your continued support.
Mrs Dexter

English

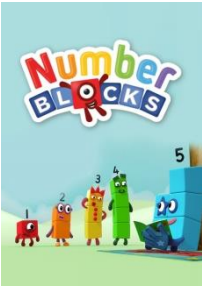

We will be learning stories using actions in order to be able to retell them. We will create story maps of the events in each story and children will have a go at creating their own story maps and writing. Stories will include 'Three Little Pigs'.

Maths

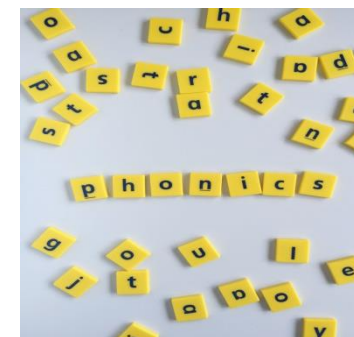

We will continue to use the
CBeebies programme
'Numberblocks' to teach
understanding of the numbers
and the number system.

We will be exploring numbers 6-
10. Comparing
groups up to 10 as
well as further
exploration of
addition and
subtraction.

The image shows the 'Numberblocks' logo at the top left, which consists of the words 'Number' and 'BLOCKS' in a playful, rounded font. Below the logo are five colorful, block-shaped characters representing the numbers 1 through 5. Each character has a face and is standing on a green base. The character for the number 5 is the largest and is holding a blue book. The background is a light blue sky with a green ground line.

Phonics

We will be following 'Read, Write Inc' as a method of learning our phonic sounds, and how to use them to read and write.

Discover RE

We will be learning about different celebrations including Diwali and Christmas.
We are also celebrating differences.
