

Year 2

Homework Challenge – Autumn Term 1 2021

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, spellings, maths and English homework that are set. The homework is **due on the 20th October** and can either be brought in **OR** You can take a photo of the finished piece and upload it to Class Dojo Portfolio Page named 'Challenge Homework Term 1'.

<p style="text-align: center;"><u>Geography – Spatial Sense</u></p> <p>Draw a map of your local area. Do you live near a park or a shop? Are you close to the school? Who lives near you?</p> <p>Draw a map of your local area, remember to include your key. Think about the images you could draw to represent your house, the school or a church. You could even describe your route to school and see if your friends can draw your route.</p>	<p style="text-align: center;"><u>Science – Living things and their habitats</u></p> <p>Investigate and create a habitat. What animals live in your chosen habitat? What does the habitat look like? Where is it found?</p> <p>Investigate a chosen habitat, like a desert or ocean for example. You could write about the animals that live there, how they might have adapted to their surroundings. You could even have a go at creating your chosen habitat.</p>	<p style="text-align: center;"><u>Computing – Online Safety & IT around us</u></p> <p>Create a poster about staying safe online or write a fact file about your favourite piece of IT. How can you be safe online? Should we talk to strangers? What should we do if something pops up?</p> <p>Create a poster of your choice explaining either 'How to be safe online' or your favourite use of IT. Remember to make your posters colourful and eye-catching. What would you find useful on a poster? Images? Captions?</p>
<p style="text-align: center;"><u>R.E – What did Jesus teach?</u></p> <p>Carry out acts of kindness. What could you do to help someone? How would they feel afterwards?</p> <p>See how many acts of kindness you can do this term. You could help put away the washing, cook a meal or even read a book to someone. It is completely up to you how you present your acts of kindness.</p>	<p style="text-align: center;"><u>PSHCE – Being Me</u></p> <p>Create a fact file about yourself. How old are you? What colour eyes do you have? What is your favourite food?</p> <p>Create a fact file all about you. You could include your likes and dislikes, family and describe your appearance. You might even want to draw yourself or get creative and make a 3D model. It is up to you how to present your fact file.</p>	<p style="text-align: center;"><u>Art & D.T – Colour and Shape</u></p> <p>Explore mixing colours together, see what pictures you can create. What happens when you mix red and blue together? What are primary colours? What shapes can you see in your picture?</p> <p>Create an image using a variety of colours and shapes. Notice what happens when you mix two colours together and see what shapes you can spot in your pictures.</p>
