Year 6

Homework Challenge - Summer Term 2 2021

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, spellings, maths and English homework that are set.

History - The Civil Rights Movement Write a fact file or a biography of one of the people on the knowledge organiser.	Science - Evolution Design a new breed of dog by combining different breeds together. What would it look like? What features would it have?	Geography - Global Trade, Tourism and Environmental Design a persuasive leaflet to persuade someone to visit a country, city or town of your choice.
DT - Structures Draw a famous structure or make a 3D structure of a famous landmark.	RE - Sikhism Make comparisons (similarities and differences) between Sikhism and other religions we have studied.	PSHE - Changing Me Write or draw about your future hopes and dreams.

The challenge work is due in on **Monday 24th May** and we ask that children take a photo of their finished homework and upload it on to Class Dojo.

The children will have their homework book to record their homework in if they wish. However, depending on the option they choose, the children may choose to record their homework in a different way that doesn't involve using their homework book.

Thank you for your continued support.
