

## Year 2

### Homework Challenge – First Summer Term 2021

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular weekly homework.

<b>Art– Murals and Tapestries</b>  Have a go at weaving something – you could weave paper or use wool and cardboard.  Or use some large pieces of card and have a go at making a large-scale mural.	<b>Science – Electricity</b>  Create a poster about staying safe around electricity. Think about the advice you would give and how you can make it eye catching.	<b>Geography – Northern Europe</b>  Make up a quiz to challenge family and friends about the countries and capital cities in Northern Europe
<b>Computing – Spreadsheets</b>  Have a go at creating a spreadsheet tallying your toys or seeing how many star jumps your family can do in 30 seconds.	<b>RE – Islam – Community &amp; Belonging</b>  Make up a routine / song / actions that show you belong to something.	<b>PSHE – Relationships</b>  Create a card for someone special to show how much they mean to you.

The challenge work is due on Monday 24<sup>th</sup> May. Take a photo of your homework and upload it onto ClassDojo, into the portfolio called Summer 1 Challenge. Please don't bring any pieces into school just yet!
