Year 4

Homework Challenge - Summer Term 1 2022

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to run alongside the regular reading, spellings, maths and English homework that are set.

<u>Geography - The South West</u> Create your own 3D model stonehenge using materials of your choice.	<u>Science - Electricity</u> Follow the Youtube link below and have a go at one of the static electricity experiments! https://www.youtube.com/watch?v=yhEiNGsqN-c	<u>History - Plague and Fire</u> Create a model of the Great Fire of London and the houses on Pudding Lane.
<u>Art - Embroidery and Needlework</u> Design your own outfit for yourself or a celebrity. You could draw your design and label each part to show what it is made from or you could use cuttings from magazines/books to create a collage outfit. If you have your own idea you can do that instead.	<u>French - On Mange!</u> Create a shopping list in French of some of your favourite foods. You might like to add some pictures to go with your list.	<u>PSHE - Relationships</u> Create your own memory box and fill it with different memories you have, you might include photos, notes, drawings etc.

Please upload a picture of your work onto the Dojo. The challenge work is due in on:

Monday 23rd May 2022.

The above menu details a range of work for the subjects that your child will cover this term. Homework Challenges completed need to be uploaded onto the Dojo portfolio or brought into school. We do ask that everyone has a go at this homework. We thank you for your continued support
