Homework Challenge Spring Term 1 2022

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, spelling, Maths and English homework that are set.

<p><u>French - Mon Corps</u></p> <p>Describe someone in French!</p> <p>Using the knowledge organiser and your French knowledge, draw an image of yourself or a family member and describe them using French phrases! You might include: What colour hair do they have? What colour eyes do they have?</p>	<p><u>Science – Rocks</u></p> <p>Find out how fossils are made!</p> <p>Create a fact file about how fossils are formed. You could include: a diagram, labels, some key facts and some images. It would be great to see these fact files full of information and colourful!</p>	<p><u>Art – Landscape and Symmetry</u></p> <p>Paint a landscape!</p> <p>A landscape is the image of a natural environment seen in one view. You can choose your area to sketch and paint. Is there any grass? Hills? Sand? Sea? Trees? Make sure you include everything you can see in one view.</p>
<p><u>PSHE - Dreams and Goals</u></p> <p>Create a Dream Jar!</p> <p>Use the template provided to create your very own dream jar. You could set yourself a dream for the future or perhaps what you would like to achieve this year! You can make it as colourful and interesting as you wish!</p>	<p><u>Geography – Settlements</u></p> <p>Draw your local area!</p> <p>Draw, label and write about your local area. You could include your favourite parts of where you live, what is around you, what you can see or what services are in the area.</p>	<p><u>Other Cultures - Chinese New Year</u></p> <p>Research the Chinese New Year!</p> <p>This year, the Chinese New Year is on February 12th. You might like to research how it is different to our new year celebrations, how they celebrate, what foods they eat or who they celebrate with.</p>
