Year 5

Homework Challenge - Summer Term 1 2022

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, spellings, maths and English homework that are set. Please return the **Homework Challenge work by Monday 23rd May 2022**.

<p><u>History - The Industrial Revolution</u></p> <p>Draw or create a model of a steam engine and annotate your drawing.</p>	<p><u>Science - Life Cycles and Reproductions</u></p> <p>Represent life cycles of animals in an interesting and fun way. For example, this could be a 3d model, a video, a PowerPoint.</p>	<p><u>Geography - New Zealand</u></p> <p>Research and make a fact file about New Zealand and the South Pacific</p>
<p><u>RE</u></p> <p>Research a famous Sikh story and create a storyboard to summarise it.</p> <p>For example, the story of Bhai Lalo</p>	<p><u>Art/DT - Moving toys</u></p> <p>Design and/or make a moving toy. Think about your target audience - who is it for? Create an advertising poster to try and sell your toy.</p>	<p><u>PSHE - Relationships</u></p> <p>Make an information poster on what you believe equal rights to be.</p>

The above menu details a range of work for the subjects that your child will cover this term. The children will have their 'Homework Challenge book' to record their homework in if they wish. However, depending on the option they choose, the children may choose to record their homework in a different way that doesn't involve using their homework book. We do ask that everyone has a go at this homework so they all have something to share at the end of each term. We thank you for your continued support.
