Year R

Homework Challenge - Summer 1st 2024

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular homework that is set.

<p><u>Knowledge</u></p> <p>Find out about the lifecycle of a frog, butterfly or chicken. Draw a picture of the life cycle and label it.</p> 	<p><u>Knowledge</u></p> <p>Plant a seed in a pot or in your garden. Take care of it and watch it grow. Photograph it each week to show it's progress. Write a list of the things you have done for it.</p> 	<p><u>Art</u></p> <p>Do a still life drawing of a flower or plant. You can use paint, felt tips or any you like to create your picture.</p> 
<p><u>English</u></p> <p>Do some cooking with your grown up. Have a go at reading some of the recipe yourself. Can you follow the instructions carefully? Take a photo of what you make.</p> 	<p><u>Maths</u></p> <p>Create a pattern; you might use objects or items found in the garden. Or you could use paint to create a symmetrical butterfly.</p> 	<p><u>PSHE:</u> <u>Relationships</u></p> <p>Make a list of the things you look for in a friend. Do you want someone kind? Happy? A good listener? You decide and write your list.</p> 

This challenge work is due in by **Friday 17th May**. Please send in photos to Dojo, saving them in the corresponding portfolio. We will invite parents in on **Monday 20th May**.

We do ask that everyone has a go at this homework, so they all have something to share at the end of each term.

We thank you for your continued support.
