All About Me Homework Challenge

Autumn 1 2026

Please see below for the homework challenges in relation to this half term. We ask that all children have a try at one challenge, but they can do as many as they wish.

<u>Knowledge</u> My five senses hunt Find something at home (or on a walk) that you can see, hear, smell, taste and touch. Draw or take photographs of your discoveries.	<u>Knowledge</u> Make a model house - it could be your house, a family members house, a house you like on a walk or even a house youve seen on holiday. It could even be a house that your favourite story character lives in.	<u>Art</u> Create a self-portrait using anything you find at home; pasta, buttons, wool, leaves, paper scraps, recycled materials etc
<u>English</u> Draw a picture and tell an adult what is happening. Ask your grown up to write down your story to go with your picture.	<u>Maths</u> Measure yourself using something unusual e.g. building blocks, cars, cuddly toys,	<u>PSHE:</u> Show off something you can do independently now that you couldn't do when you were younger e.g. building something, getting dressed, helping cook etc Bring in a photo or draw a picture of you doing your activity.

Please **bring in** any completed homework into school for **Friday 16th October 2026**. Parents can view homework on Monday 19th October.

Thank you for your continued support, I look forward to seeing your child's efforts.

—Mrs Dexter
