

**Year 6****Homework Challenge - Summer term 2 2025**

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular maths and English homework that is set.

History - Civil rights movement  Choose a significant person linked to the civil rights movements and write a biography about their life.	Science - Evolution  Choose a creature and create a labelled diagram of what you think they could look like in 1 million years.	Geography - Fair trade  Keep a list of all the fair trade items in your cupboard. Create a chart to show where your food has come from.
DT - Structures  Create a bridge to cover a 20cm gap that can hold weight. Test it!	RE - Sikhism  Explain the 5 Ks of Sikhism in a report - you could also include a diagram.	PE - Swimming  Create a water safety poster for children learning to swim.

The challenge work is due in on:

Friday 11th July.

We do ask that everyone has a go at this homework.

There will be no showcase for year 6 unfortunately as we will be away at Hilltop on the 14th of July.
