

Reading

Reading is an important part of school life - children are encouraged to read regularly. We ask that children read daily both home and at school. Accelerated reading is continuing and quizzes will be taken once a book is completed; this will show the level of understanding that a child has about what they have read. Reading for pleasure is really important and children are given time during the school day to read for pleasure and share what they have read.

PE - Wednesday (Swimming)

Children will need to their swim kits for the lesson on Wednesday. Please ensure that **jewellery is not worn** or can be removed **independently** by your child. Long hair should be tied back.

Dojo

We will be sending most communication to you via ClassDojo. If you haven't yet signed up for an account, or haven't logged on recently, please do so or contact the school office if you are having difficulty with this.

Homework

Each week a piece of Maths or English will be given on Dojo. Please complete this and return it to Mr Ryan. It would be great to see more of the children harnessing their creativity by completing some of the Homework Challenge Menu activities.

Class Information Year 6

Summer term 2 2025

We hope you have had a restful half term and are ready for the Summer 2 term!

We hope you find the following information helpful about your child's term ahead. We have included details on how we will be supporting your child over the coming weeks.

This term we will continue teaching the Year 6 curriculum, as well as continually assessing and filling in any gaps from the previous academic year.

You will find a brief overview of the curriculum content for English and Maths as well as support for your child's well-being. Information about other subjects will be sent separately in a more detailed 'Knowledge Organiser'. This information is designed to give you a flavour of what the children in Year 6 will be learning this term as well as some more detailed information on the knowledge we expect children to know at the end of this term.

Best wishes
Mr Ryan, Miss Swallow and Mrs Grimmer.

English

In English this half term, Year 6 will be writing a flashback story. Our high quality text this term is Michael Morpurgo's *Alone on a Wide, Wide Sea*. Using talk for writing methods, year 6 will develop an understanding of the key features needed in writing a narrative and they will then innovate on the model text before 'inventing' and writing their own.

In class, Year 6 are focusing on weekly Year 6 Statutory Spellings. Year 6 will be consolidating aspects of previously learnt grammar this half term before developing further knowledge. Throughout the term, we will continue to 'gap-fill' areas of teaching and learning from previous years. This will be done through assessment to inform teaching. We will also be explicitly learning key GPS skills through precision teaching in the lead up to SATs.

Maths

Maths this half term will be focusing on transition to secondary school. We will be following a scheme of work designed by the secondary schools to ensure they have the necessary skills for a smooth transition. These include:

- Division with remainders
- Algebra
- Multiplicative reasoning
- Fluency in calculations
- General skills

Homework will be set on a Friday and it will be in relation to what we are doing in class that week.

Can you please ensure that your child is regularly revisiting their times so that they improve fluidity, increase their quick recall and for them to be able to solve problems that involve multiplication. As well as our regular maths lessons, there will be extra maths-skills practice to ensure gaps are identified and filled.

Additionally, maths boosters will be running on Mondays and Wednesdays each week with small groups receiving targeted teaching for identified gaps.
