

**Year 5****Homework Challenge Autumn 1 2025**

We would like children to select at least one of the homework challenges below for this term, however, children can do as many as they wish. This will continue to be run alongside the regular Maths and English homework that are set.

<u>Computing - Computing Systems and Networks</u> Design your own search engine! Have a look at some search engines, such as Google, AOL and Bing. Think about what your search engine will be called and what your logo will look like! 	<u>Science – The Human Body</u> Create your own model of the human body showing the different organs. You can choose the materials you would like to use to create it! 	<u>Art and DT – Islamic Art and Architecture</u> Create your own Geometric design! Take inspiration from patterns in nature, online images or use your imagination to create a geometric design tile. 
<u>History – Baghdad 900 CE</u> Design your own city! If YOU had the chance to design a city... What would it look like? Consider: shapes, colours, buildings, accommodation, transport. What are your reasons for choosing these?	<u>Geography - Spatial Sense</u> Design your own map to include your own places, symbols and scale. Will your map include any rivers or seas? 	<u>RE - Islam</u> Research the Qur'an. Find out some interesting facts about The Islamic Holy Book. 

The above menu details a range of work for the subjects that your child will cover this term.

The challenge work is due in on: **Friday 17th October 2025**

Drop in session: **Monday 20th October 2025**
