

**Year 3****Homework Challenge Menu Autumn 1 2025**

We would like children to select at least one of the homework challenges below for this half term, however children can do as many as they wish. This will continue to be run alongside the regular reading, maths and English homework that are set. Please return the **Homework Challenge work** by **Friday 17th October 2025**. Parents are invited to see the challenges on **Monday 20th October**.

History - Ancient Egypt

Create a fact file using your knowledge of Ancient Egypt.

Science - Life cycle

Create a diagram to show the plant life cycle. You may also want to draw a diagram of a plant and its key parts.

PE/Geography - Spatial Sense

Design a treasure map with grid references- can your opponent find the buried treasure? Make your own grid or use the template.

ICT - E-safety

Create a poster all about keeping safe on the internet.

**Art - Landscapes**

Look at the landscape from your favourite place and either draw it or paint it.

PSHE - Being Me

Choose 5 goals you want to achieve in Y3.

You can write about them, draw a picture or make a short video.

The above menu details a range of work for the subjects that your child will cover this half-term. We do ask that everyone has a go at this homework so they all have something to share at the end of each half-term. We thank you for your support.

Mrs Cousins and Mr Smith
