Year 5 Homework Challenge Autumn 2 2025

We would like children to select at least one of the challenges below for this term, however, children can do as many as they wish. This will continue to be run alongside the regular Maths and English homework.

<p><u>History - The British Empire</u></p> <p>Research the positives and negatives of The British Empire and put your findings in a table.</p> 	<p><u>RE - Christmas</u></p> <p>Create a comic strip to retell the Christmas story.</p> 	<p><u>Geography - Mountains</u></p> <p>Create a fact file about the top 5 mountains in the world.</p> 
<p><u>Science - Chemistry</u></p> <p>Research facts about an element of your choice from the periodic table and create an information page/poster about it.</p> 	<p><u>Art/DT - African Art</u></p> <p>Research a piece of African art and create your own piece using any materials you like. Be creative!</p> 	<p><u>PSHE - Celebrating Difference</u></p> <p>Create a poster which could be displayed around the school to teach people about the importance of celebrating differences/how to do this.</p> 

The above menu details a range of work for the subjects that your child will cover this term.

To try and raise the profile of homework this term, we have slightly changed our open afternoons. This term, if your child completes any of the challenge homework, they will be invited to the hall on **Thursday 18th of December** to present their work. **Parents are also welcome to attend from 2:55pm.** In addition to this, we will be voting in classes on the best piece of homework from each year group with an award being presented to the winner. Thank you for your support.
