

Class Information

Year R

Autumn Term 2 2025

We hope that you find the following information helpful.

This will give you an overview detailing what your child will be learning this half term for English, Maths, Phonics and RE. We will also provide 'Knowledge Organisers' for the remaining subject areas.

If you have any questions about what your child will be learning, do please contact me via Class Dojo.

Thank you
Miss Osborne

PE - will continue to be on a Thursday

PE kit can be worn to school on a Thursday. Children need to wear PE kit as per the school prospectus; navy or black skort/shorts/jogging bottoms, white t-shirt and trainers/plimsolls.

You must ensure that earrings are not worn and long hair is tied back for the children's safety.

Water bottles and snack

Each child has a water bottle provided by the school which will be filled with fresh water each day. Your child is welcome to bring a water bottle from home however, please could you make sure that it is clearly labelled with your child's name.

Children have free fruit/vegetables available to them each day for snack time. You are welcome to send your child in with an additional snack, but please be aware that this **must be healthy and contain no nuts**; for example fruit, cheese or rice cakes. Thank you.

Dojo

I will use Dojo to do the majority of my communication to you. If you need to ask a question of me, please message me on Dojo. I will be checking this as often as possible.

If the message is urgent or about your child's absence, please contact the school office via the telephone.

Homework

Children have 'Homework Challenges' that they can complete during the half term. You will receive information about this separately. I ask that children have a try at one of the activities at least, so that they have something to share with their peers.

Year R: Term 2

English

This half term we will continue to rehearse our oral story telling skills through our new story 'The three little pigs' by Pie Corbett. Children will have the opportunity to write, draw and discuss the events, characters and settings.

Phonics

We will continue to have daily phonics sessions.

Within these sessions the children will be segmenting, blending and reading an increasing number of words using the sounds previously taught.

Read Write Inc.
Phonics

Discovery RE

We will be focusing on the topic of Christmas and thinking about the question; What is Christmas? This will involve exploring Christianity.

Children will have the opportunity to listen to stories, join in with discussions and complete activities based around the weekly topics.

Maths

We will continue to focus on numbers 0-5. We will look specifically at number bonds, adding one more and subtracting one less.

Children will have lots of opportunity to explore number through independent investigation as well as in guided groups with an adult.
