Year 5 Gressenhall Trip

As part of the day, we had a mystery to solve of who stole the silver candlesticks from the chapel. I enjoyed meeting the different characters and questioning them about it.

-Katie

We learnt that in Victorian schools one of the rules was that children should be seen and not heard.

- Amos

I liked the part where we got to spend time in a Victorian school lesson, studying Geography, Maths, English and History. We had to have a hand inspection to make sure they were clean and we used slate and marker to write with.

- Emily

My favourite part of the day was learning about the differences between Victorian Britain and what life is like today. One of the biggest things was that they didn't have electricity!
