Parent Governor Vacancy

We are pleased to let you know we currently have a Parent Governor vacancy. The Governors of West Lynn Primary School hold regular meetings in which they discuss and make decisions concerning the curriculum, school policies and many other issues

that directly affect the well-being of the children at the school. Being a school governor involves having a privileged insight into the running of the school and any prospective governor must understand the need for confidentiality. The Governing Body will also expect that any new governor would be willing to attend a short training course. Please consider whether you might make a good governor and if you are interested in applying please pop to the office for an application form. Should there be more applicants than spaces available, an election will be held. Closing date for applications is **Friday 11th June**.
