### Class Three's New Skills!

Class three completed their first ever sewing task this week. They made money containers! Well done. We will have to ask our resident seamstress Mrs. Khatri how they got on..... I just know it's much better than I could have done!

# THINK BEFORE YOU PARK

BE CONSIDERATE TO OUR NEIGHBOURS  
YOU COULD ENDANGER A CHILD'S LIFE

PLEASE TAKE CARE OF OUR CHILDREN AND PARK SENSIBLE AND  
SAFELY—THANK YOU

The Italian Renaissance is brought to West Lynn by Year 6, who made plaster of paris and decorated them with a sun inspired from their Italian Renaissance Art unit of work. Amazing work - a very talented class!

## New way to access Emergency Department

This December, NHS England and NHS Improvement has launched the next phase of the latest 'Help Us, Help You' campaign which focuses on the NHS 111 service as a new way to access A&E. If you have an

urgent but non life-threatening medical need, make sure you use NHS 111 first rather than going straight to A&E.

If you do need urgent care, then NHS 111 can now book you in to be seen quickly and safely in A&E. NHS 111 is also able to direct patients to or book an appointment at Urgent Treatment Centres, GP surgeries, pharmacies, emergency dental services and walk-in clinics. Contacting NHS 111 first will also help the NHS to keep you safe by maintaining social distancing and ensure that you receive the right care in the right place, in a more timely and safe way.

However, you should still dial 999 if you have a life-threatening illness or injury. Just think 111 first. When you think you need A&E, contact NHS 111 by phone or online

# Year 1 Learn to Sign to Sing!

As you will probably remember, Schools are not allowed to sing at the moment unless very strict rules are followed. So many classes are taking the opportunity to learn some sign language to music. It is a wonderful way to express the song and is beautiful to watch! Well done Class 1!

**KEEPING YOUR DISTANCE AT THE SCHOOL GATE**  
**WILL HELP PREVENT THE SPREAD OF CORONAVIRUS**
