International School Award

We are working towards The International School Award. This Award rewards schools that have shown a commitment to embedding international awareness and understanding within their class or school. We will be completing collaborative, curriculum-based work with an international partner schools, involvement of the wider community. As our International School Award journey continues, we will learn of new ways to develop and embed international education in our school. The International School Award is available in 16 countries and is well-regarded by school inspection bodies and ministries of education globally.

We are working with **JAMNABAI NARSEE SCHOOL**

They have recently celebrated their 50th Anniversary and the pictures and some of their celebrations.

As part of the above, we intend to share images and videos between the schools in line with our general image consent forms completed by you at the start of each year, we do not therefore require you to complete any further consents. However, if you do not want your child to take part in this, please let us know by Monday 5th July by email office@westlynnprimary.co.uk.
