Holkham Hall

My trip to Holkham Hall, written as a class effort!

On Tuesday we went to Holkham Hall and had the best day. We can't wait to go back! As we arrived on the coach we saw lots of deer, trees and Holkham Hall.

Then we went in to the woods to hunt for insects like spiders and earth worms. On the bug hunt I caught a wasp and Jovi caught a spider. After that we built really large tents. Stanley said "I enjoyed building our Dens. We played in each others."

We were much better than Mr. Winner and Miss Gunton!

We also had a ride in the back of a tractor . It was a bumpy tractor ride.
