The Romans (and Class 4) invaded Clenchwarton...

Year 4 were transported to the past on Tuesday when they attended a Roman workshop about life in the Pax Romana. In the morning they played a Roman game similar to draughts, completed a quiz and took part in a show and tell session on Roman artefacts. After lunch, the children took part in a workshop where they learnt how to march in the Roman army, learnt about Boudicca's tactics when fighting to take back her land and finally, some children, or should we say gladiators, battled it out in the amphitheatre in the presence of Julius Caesar!
