Agenda:

1. The Platinum Jubilee
2. School Council Logo

Minutes:

1. Plans have been made for The Queen's Platinum Jubilee celebration using the School Council ideas. In the afternoon on Friday 27th May, we will hold a games afternoon on the field, come to school wearing red, white and blue and the Friends will provide party food for the whole school. Councillors have been asked to tell their classes the arrangements, MB and DR will announce this in Friday's assembly. DR asked if pupils will rotate around the activities in class groups. We decided that it would be best to let pupils choose which games they wanted to go to. Each game will be supervised by a member of staff. Councillors will remind their classes of behaviour expectations beforehand. Councillors can help staff to score games if they wish to.
2. School Council Logo – As we do not have an official SC logo, we have decided to hold a logo competition. Each pupil will take home a blank logo template and design a new School Council logo. The winner will receive a prize and have their design turned into the new logo. Councillors can judge the competition unless they want to take part themselves. Designs have to be handed in to the office by Monday 23rd May.
3. Mrs K advised the councillors that at our next meeting she will bring to EYFS pupils in preparation for being on the School Council next year.

Date of Next Meeting:

Monday 20th June 2022
