Eulogy for Poppet—West Lynn Primary Guinea Pig

By Mrs. Adams

It is with great sadness we have to share the news that one of our school guinea pigs, Poppet, has passed away. Poppet has been with us at school for the last 4 years and we have really enjoyed our time with her.

Poppet was always the first one to greet whoever was coming to feed her and enjoyed her cuddles with the staff and pupils with the staff and pupils.

We will miss her very much, as will Poppets guinea pig friends, Fudge and Treacle.

HELP US GET MORE KIDS INVOLVED IN HOCKEY

Hockey Heroes is a fun, welcoming beginners hockey programme for children aged 5-8 years that aims to develop both their physical and character "superpower", unlocking the hero inside them!

We are looking to find people that can help children to have lots of fun, experience lots of success and feel like a hero. Volunteers do not need previous hockey experience, coaching qualifications or be great at sport.

Various opportunities are available including, leading a session as one of the "Champions" (18 years+) or assisting as one of the "Sidekicks" (14 years+).

This is for you if...

- You believe in encouraging children to be active
- You are warm, welcoming, enthusiastic and fun
- You are good at motivating children to get involved
- You can help boost a child's confidence
- You can communicate with young children and their parents

What's in it for you?

- The satisfaction of encouraging children to be active and enjoy hockey
- The pleasure of seeing children grow in confidence and make new friends
- The opportunity to use existing skills whilst helping others to learn new ones
- Develop your communication and organisation skills
- Access to free Hockey Heroes training by England Hockey

**A HERO
IN EVERY KID**

**Sport should be
EVERYONE's game!**

Rainbow Laces has become the iconic symbol of inclusion across the sporting world. It started with the Premier League, Manchester United, Sky Sports, Arsenal and hundreds of other clubs and sports companies who stood behind the charity, Stonewall, to make this a real and viable concept. Now however, the most important group has finally joined this prestigious line up.

West Lynn Primary School will join in and wear their Rainbow Laces on Sports day. In the week beginning 11th July every child at the school will be given a pair of rainbow laces. We understand that not all children wear lace up shoes, so please wear them as wrist bands, in your hair - anything to show your support to this worthy cause.

We endeavour in our school to ensure that no matter who you are, you get all the same opportunities and we hope to promote this attitude by wearing our rainbows.

So proud!
