West Lynn Primary School has been awarded the Carnegie Centre of Excellence for Mental Health in Schools 'School Mental Health Award' – Bronze Status.

[School Mental Health and Wellbeing Lead Community](#). The community has been developed from the Carnegie Centre of Excellence for Mental Health in Schools which is a partnership between the Carnegie School of Education, based at Leeds Beckett University and Minds Ahead CIC.

Our congratulations go to Mrs. Grimmer and Mrs. Adams who have worked tirelessly to achieve this coveted award.

If you think your child could be helped by either Mrs. Grimmer or Mrs. Adams, please do not hesitate to speak to either of them, or speak to Mrs. Moore in the office, who can ask them to give to you a call.
