Executive Headteacher: Ms J. Borley

18<sup>th</sup> October 2022

Dear Parents/Carers,

As you may know, your children were chosen to become Play Leaders at West Lynn Primary School. This is a responsible and cherished position in the school. The children have received different training to help them to do this job. This includes some help with resolving disagreements and coming up with ideas for involving children with play activities and games. This year we are also inviting the children to take part in a "Mini Medic" course.

The course introduces children to First Aid and Defibrillation and is aimed at children between the ages of 7 and 11. The course will show complete respect for all children's abilities and will be practical and educational. It will instil the importance of helping someone who is injured or unwell.

It will cover the following subjects:

- ✚ What is First Aid?
- ✚ Defibrillation
- ✚ Recovery Position
- ✚ First Aid Kits
- ✚ Choking
- ✚ DR ABC
- ✚ Wounds and Bleeding
- ✚ Asthma
- ✚ Shock
- ✚ Safety
- ✚ Communication and contacting the emergency services

A certificate of attendance will be presented, along with some other 'goodies', however this is NOT an official certification. Any first aid offered by the children will also be followed up by the staff on site who are fully trained.

The course will take place on the morning of Friday 11<sup>th</sup> November. Should you have any concerns or questions about this course, please do not hesitate to contact me and I will be happy to discuss them further.

We are very grateful to your children for their kindness and dedication to the children of West Lynn Primary School.

Yours sincerely

Miss R.Tuvey  
PE Coordinator
