

Zoo Lab Information Sheet

Year 1 - Zoo Lab 24th November 2022

We are pleased to tell you that a curriculum visit has been arranged for Year1 as part of our 'Caring for Living Things' project we will be inviting in a workshop session by Zoolab. Our children will be meeting and learning lots about small creatures such as toads, rats, snakes, etc.

The cost of having Zoolab visit West Lynn is £10.00 per child and we require your consent for your child to take part in this activity. Payment for this trip is on Parentpay and payments can be made in instalments of £2.50 or more. The total of the trip however must be paid by 21st November at the latest.

*If assistance is required with the cost of this session, please contact the school to obtain an application form for the school's Learner support fund. Unfortunately, if insufficient contributions are raised to fund this visit, the school reserves the right to cancel this experience.

Further remittance advice is available within the schools charging and remittance policy available on the school website and parents are encouraged to refer to this.

By providing your permission you will be accepting that you understand the following:

— I fully understand and accept that, while the supervisory adults in charge of the group will take all responsible care of my child, neither they, nor West Norfolk Academies Trust, can necessarily be held liable in respect of loss or damage to property or injury suffered by my child arising out of the educational visit/journey, unless such loss, damage or injury results from the negligence of West Norfolk Academies Trust, its employees or official volunteers.

— I agree to my child receiving medication as instructed and any emergency dental, medical or surgical treatment, including anaesthetic or blood transfusion, as considered necessary by medical authorities present.

Should you have any questions or concerns, please do not hesitate to contact me.

Very kind regards,

Miss C. Cooper
Class Teacher
