TWO NEAR MISS ACCIDENTS

In the past week we have had two near miss accidents involving children and the parking around the school. The last one involving a child nearly getting knocked down whilst on the pavement because a van driver mounted the curb whilst talking on the phone.

The police have been contacted about this incident and we are hoping that they will provide a presence in the near future. In addition we have been in contact with the traffic wardens about the careless parking.

Please think very carefully about where you are parking. When in school, your children's safety is our primary concern, please help us to keep them safe outside the school too.

Thank you
