PUNCTUALITY MATTERS!

Being frequently late for school adds up to lost learning:

- Arriving 5 minutes late every day adds up to over 3 days lost each year.
- Arriving 15 minutes late every day is the same as being absent for 2 weeks a year.
- Arriving 30 minutes late every day is the same as being absent for 19 days a year.

19 days lost a year through being late means 90% attendance.

Missed minutes = missed learning = missed opportunities
