Year One Trip!

Year 1 had a terrific day visiting the Time and Tide Museum in Great Yarmouth just before half term.

We became explorers as we helped prepare the ship for travel, thought about the skills and qualities we need to adventure around the world and even had to scare away sneaky pirates (who looked quite familiar...)! We also had the chance to look at real artefacts from around the globe. One of these artefacts was a tribal animal mask, and we had great fun

making our own masks to take home too. What a brilliant day!

New Lunchtime Rules

The whole school attended an assembly recently to explain the new arrangements for lunchtimes, but we thought it might help parents to understand what is happening also.

1. Lunch boxes to go on trolley in the morning.
2. Lunchtime - Get your coat and head straight outside.
There is NO coming back in for it!

Monday,
Tuesday,
Thursday and
Friday

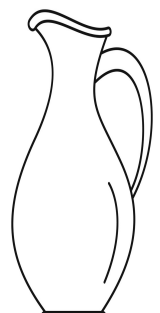

Wednesday

3. When your class is called, collect your lunch box from the trolley, which will be in the hall, and have your lunch.

REMEMBER TO ALWAYS WALK IN THE HALL
NO RUNNING!

4. When you have finished, put your lunch box back on the trolley and go straight outside.
5. Do not go up the corridor during lunch. Toilets near class 3 are to be used during break and you must make sure you have a drink whilst eating.

PLEASE REMEMBER THAT IF YOU FORGET
YOUR DRINKING BOTTLE JUGS OF WATER
AND CUPS ARE ON EACH TABLE AND ARE
AVAILABLE FOR EVERYONE'S USE.

Mental Health Awareness Week

At the beginning of February, in recognition of Mental Health Awareness Week, the Friends of West Lynn Primary School purchased a complete set of Healthy Minds books which have been developed to support teachers and other school staff in helping children to cope with some common mental health issues which can affect the children of today.

The books will be kept in the Headteacher's office but are an essential resource that will be used for children who very often can not understand the confusing and frustrating emotions they experience.

Thank you to the Friends and to Mrs. Adams who both are tirelessly working to improve the lives of the children at West Lynn Primary School.

Online Safety Tips - Week 4

Internet Safety

We have become increasingly aware of highly inappropriate videos circulating online that are being viewed by children. These clips are appearing on many social media sites, Fortnite and You Tube, including Kids You Tube.

These videos contain extremely distressing images or highly inappropriate, dangerous “challenges” aimed at young children.

We would encourage you to be extra vigilant when your child is using any device or watching any clips. We would also encourage any parents / carers to remind children how to stay safe online: if they see anything which they find upsetting, they must tell an adult straight away.

This week in school we have added extra Internet Safety sessions to the curriculum.

There are many websites containing further advice for parents about how to keep children safe online. Two examples can be found at:

<https://nationalonlinesafety.com/resources/platform-guides/>

<https://www.thinkuknow.co.uk/parents/>

Thank you for your continued support
