Our children were enthused and inspired by our recent author visit, James Campbell. He held workshops for both EYFS & Key Stage 1 and Key Stage 2. The children were captivated by his story performance and the way he encouraged the children to join in. Key Stage 1 especially loved the story called 'The Umbrella Tree'. I have never seen so many bright pink smiley faces all in one place, sharing the joy of storytelling.

Everyone was entertained and inspired, but more than that – they were given the tools they needed to set about creating their very own pieces of writing. He also spoke to the children about becoming a writer, the process for writing and editing ideas. James encouraged the children, showed them any ideas are exciting and valuable and shared his passion for story writing.

The school are proud owners of all of his books, which can be found in our library. We look forward to James visiting West Lynn again.
