Class 5 Trip Report

We went to Lynn Museum and Stories of Lynn. We learnt about the 1953 floods and looked at hard and soft engineering—Connor A

My Favourite part was walking to the Quay to look at and measure the height of the floodgates. We finished off our trip by arguing our case on which flood defence worked best to protect us in an actual courtroom! - Scarlett

Many thanks.

JustOneNorfolk.nhs.uk is a new NHS website which aims to help children, young people and their families in Norfolk to have a better understanding of their health, wellbeing and care. The website launched in November 2018 and is only going to get bigger and better!

The website covers topics such as Childhood Illness, Staying Safe, Healthy Lifestyles, Child Development, Additional Needs and Healthy Lifestyles. JustOneNorfolk.nhs.uk has exciting features such as videos, animations, an interactive poo chart and easy access to online learning. There are also videos of Norfolk families sharing their own experiences of being parents. You know you can trust the advice as all content has been created and approved by NHS professionals. You can create an account, complete a health questionnaire and save pages you find useful!

JustOneNorfolk.nhs.uk can be viewed on a computer, tablet or mobile phone. The site has been designed to be accessible to all Norfolk families and this includes being able to change font sizes, colours and can be translated into over 80 different languages.

Online Safety Tips - Week 2

National
Online
Safety

Every week we shall be putting a tip in about online safety which we shall get from the National Online Safety Website. This website offers guidance on all aspect of e-safety and can be

found by following this link nationalonlinesafety.com/resources

Starting a conversation with your child about what they do online can be difficult so asking questions that can help give you a better understanding is an excellent start!

How does this game/app work? Can I play?

Show a genuine interest in what they are doing. Whilst you are playing a game or using an app with them, it might highlight something that they don't necessarily think is a danger to them. If they act like they don't want to share their activities with you - question why? Take an interest in the websites your children use - ask them to show you how they use them and why they like them so much? This will encourage positive conversations about their

Trip reports for the Polar Museum and Time and Tide Museum will be in next weeks newsletter

education

Can you help us?

The EDP are giving us the chance to earn a share of £10,000 of Lego education materials.

They will be putting vouchers in the papers from tomorrow. Please could you ask parents, grandparents, aunts, uncles, neighbours, friends and work colleagues to hang onto the vouchers for us. Every 1000 vouchers gets the school £50 of equipment! Thank you.

Please remember break time snacks **MUST** be healthy and crisps are not acceptable. Fruit, fruit bars, cereal bars and other healthy alternatives should be used. Crisps should be left for lunchtime. Thank you
