# NSPCC

Speak out. Stay safe.

Our Year 2, 5 & 6 pupils had a visit last week from Graham and Buddy from the NSPCC. They discussed the Speak Out, Stay Safe programme. For more information on the Speak Out, Stay Safe Programme please see the NSPCC Website—

# The importance of good attendance.

The Government strives for every pupil to achieve 97% attendance. Every day away from school is a day away from learning and this can have an impact on a child's education and future accomplishments.

We want every child to enjoy school and achieve their potential in education and life beyond.

We are always here to talk through any issues and help find solutions.

Parents are always a phone call away if a child is too ill to continue their day, please encourage them to try to give the day a go, children often feel much better once they are in class.

**The school day begins at 8.40 and the register closes at 8.45. If you arrive after 8.45, you are marked as late L code.**

**If you arrive after 9.05 you are marked as U code unauthorised late.**

The local authority can issue a penalty notice related to lateness when a child has at least 9 sessions of unauthorised absence including the U code (late) within the previous 6 school weeks.

**Every Day Counts** 

**Missing a day of school a week**

is the same as missing over 2 years of school.

## Administration of Medicines at School

If your child needs prescribed medication/inhalers during school hours, please make sure a medication form is filled out. For asthma, a separate individual healthcare plan also needs to be filled out. These can be found on our website following the link below or from the school office.

<https://www.westlynnprimary.co.uk/page/?title=Downloadable+Forms&pid=25>

**The form and the medication then needs to be handed in at the office.** Please make sure the medicine is in the original container with the prescription label attached. This way we are able to check that the information and medication are correct before passing onto the class staff.

Please note; we are unable to administer medication that is not prescribed such as Calpol or Nurfoen. If your child does need non-prescribed medication during the school day, we ask that you arrange to come in yourself to administer it.

Thank you.
