KEY STAGE 2

NEW FOR SEPTEMBER

P E Grant in Action!

In September there will be some new additions to the playing field that will be available to all children from Year 1 upwards at breaktime, lunchtimes and also for PE.

The new gym equipment will follow a line up from the trim trail and therefore will not greatly reduce the size of the school field.

The company providing the equipment will be coming in to provide a training day for both the children and the staff to teach us to use it safely and correctly. The Lunchtime Supervisors are excited to timetable this into lunch play and we anticipate year groups having a day at a time.

Now we just need to work out how to keep the staff off it!
