HEAD TEACHER'S AWARD FOR THE WEEK!

Academic

Kristupas & Sienna
Lacey & Jamie
Finley & Jacob
Patrick & AJ
Connor
Connor & Tia
Well done to you all!

Behaviour

Sam
Logan
Daisy
Fleur
Liam
Jayden

from Class 1
from Class 2
from Class 3
from Class 4
from Class 5
from Class 6

Congratulations

A Message from our Chair of Governors

This little note from me was written at the end of last term but my ICT problems meant I've only been able to access it until now. It's amazing how we rely on technology but find it difficult to function when it goes wrong.

My first year as a chairman of governors has been very busy. It started with an Ofsted inspection in my second week. Luckily Ms Borley had sent me mountains of information about Clenchwarton for me to read during the holidays and some of the other governors were available during the actual inspection so we were a knowledgeable team to be interviewed by the Inspectors.

Since then, I've tried to come into the three schools as often as I can as I think it is important to get to know staff and children. I've had regular meetings with Ms Borley and I've also met parents and have been lucky to be able to go on a couple of school trips. I did a list the other day of what I have done and I was quite surprised to see it on paper as it's a lot. The important thing is it has been enjoyable as well as a lot of work. I am also elected to the Borough Council of King's Lynn and West Norfolk and as I represent St Margaret's with St Nicholas Ward and am involved with a couple of charities, I am a very busy person, but am dedicated to everything I do and the housework has to wait!

We're about to experience some changes of staff. I've been involved in the interview process and I'm sure we will enjoy meeting the new members of the team. It's sad to see people move on and I wish them the best of luck in their new schools. It's sad also to see the Year 6 pupils move on but I'm sure they will really love their new school.

Ofsted will probably be happening in West Lynn and Walpole Cross Keys in the next academic year. I will, again, continue my visits into the schools and I look forward to meeting more parents and will, especially, enjoy meeting the Reception children. It's always lovely to see them settle in so quickly and what a lot they learn in their first year.

I love learning and I learn something new all the time even at my age. I've been a governor for some years but every school works differently but need to make sure their school gives children a good education. As governors we must support and challenge and help the school leaders. As I've already said, it's been a busy year and I expect this academic year to be the same as we continue with our work to support your children in these very important formative years.
