West Lynn Make Music! Congratulations Class 4

Further to an amazing performance from class 4 on Tuesday, their Music Teacher, Tim Brain sent the following message:

Having worked with year 4 since January I felt myself compelled to send a note to say how amazing the children were at the Corn Exchange on 12th March. The children from West Lynn were unbelievable, their professionalism both on and off stage was unprecedented. On meeting them in the dressing room I knew we had 21 very excitable yet nervous children and 3 excitable staff members. The children composed themselves and we had the quietest dressing room around. The children were dedicated from the moment we warmed up filling the dressing room with an amazing excitable sound. Upon entering the stage the children felt the nerves but with staff encouragement the curtain lifted.

From the first to the last chord the children were inspirational. Giving such an amazing performance after just 8 sessions is simply unbelievable. They were committed and showed amazing performance skills along with an excitable tone to their voices which only added to the performance. After a huge round of appreciation (rightly deserved) the children sat back and yet still they remained example students. I have nothing but admiration for all Year 4 including the children who were unable to attend last night for their enjoyment, dedication and resilience over the past 8 sessions and have to say they should all be immensely proud of their achievements not only last night but every week. They are a credit to each other, to the school and their parents/carers for being such a lovely coherent group of students. I would also like to thank the staff members that assisted to enable the children take part especially to Miss Jordan for her help and support throughout the project.
