Last week found us saying goodbye to an old Friend of West Lynn Primary School. For years now he has been coming in for our assemblies, helping us with our Christingles and teaching the children Cycling Proficiency! You will be missed!

A message from the Chair of Governors for Year 6:

For their performance last week, Year 6 took a very funny look at school. I loved the contrast between the attitude of Reception and Year 6 and how teachers break the rules! The clever twist at the end using hair gel and make up made the audience laugh. The show was about attitude and I must say during my visits into school, I've only experienced a positive attitude and never a poor attitude and I'm sure this will continue throughout their lives.

I wish Year 6 the very best for the future and I hope they enjoy this new adventure of moving up to High School.

THANK YOU

As always, it has come to that point in the newsletter where we need to say a HUGE thank you to everyone who has helped out.

To the Friends of West Lynn Primary School - What would we do without you? You are amazing people who give your time so freely & help without thought of praise or reward. You bring enrichment to the children's lives and for that we will be forever grateful.

To "Heather's Army" and you know who you are; the people who make educational trips, cycling, sports events and numerous other things happen. You are amazing and West Lynn Primary School would be a much poorer school for not having you in it!

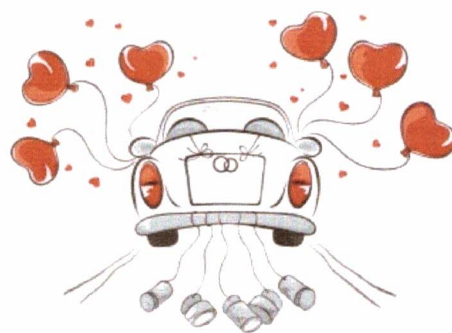

To Bridget Jones & co. You mad women ,  you have already signed up for another year. The children love your assemblies and we always enjoy your visits! I look forward to hearing about what you have come up with for next year.

To all the visitors who bring such enjoyment and enrichment to the school. Thank you so much.

Can we as a staff also thank you all for such wonderful gifts and cards. We really do treasure your words and gifts of thanks. Please know that we love the time that we spend with your children.
