My Child At School App

We are excited to have sent out access to the 'My Child at School' app yesterday. We will be moving over to this in January 2025. The purpose of sending it out to you now is to ensure everyone has downloaded and has access to it ready for January 2025, where we will be using it to book dinners, clubs, parent evenings, sending reports and storing important documents.

There is a help page on the front page of the website (at the top under 'Bromcom (MCAS) – Parent Portal') which gives you further information.

If you did not get a link via your email address, please check your spam folder and if you still do not have a link please contact the office.
