After a very successful transition this week, the children seem to be gearing up to making their moves onto next year's classes.

These moves are easier for some children than others, but as a school we do all that we can to reduce the impact of these changes. We do speak regularly to the children to assess their concerns and fears and hope that you bring them to our attention if they talk to you at home. If you or your children have any worries, please mention them to the class teacher - we are very happy to help. Thank you for your continued support.

I have been asked by our Finance department to remind you that all debts MUST be paid by the end of the term. Please ensure that you are completely up to date by the 24th July. Many thanks
