Parentpay Information

There seems to be some confusion about how fees are applied on Parentpay accounts and we wanted to clarify the situation. A register is produced for the club leader every week and they take attendance. Once the club is finished they hand this back to the office and then a mark is given on Parentpay only to the children who have attended on the day. It is therefore impossible for your children to be charged for sessions that were cancelled or where they were poorly.

If you believe that a mistake has been made, please refer it to the office immediately and we shall investigate as all the registers are kept and can be shown to you at any time.

Sometimes the secretary can make mistakes between siblings (sorry Mrs. Rollings) but she does sort them out eventually. Thank you for your continued support.
