River of Hope

As you may already know, Year 3 have been working with the Thames River Trust and the Norfolk Festival Trust on a project called River of Hope. River of Hope is an arts-based learning project linking schools around the world through the study of rivers and environmental issues. Last month, as part of this project, Year 3 were involved in creating artwork which would be put onto sails.

The River of Hope sails were installed in The Forum, Norwich last week. As you can see from the photos, they look fantastic, and we're really excited for everyone to see them as part of this year's Norfolk & Norwich Festival.
