## Change of Banged Head Procedure

Most of the banged heads that we make calls for are very minor and we are aware that we are often worrying parents more by contacting you during the day than the incident warrants. We have therefore decided, where a banged head appears to be a minor issue, we will send a text to you only. Please feel free to phone the school to find out more if you have any concerns about your child. Mrs. Moore will be very happy to check with the class to make sure everything is ok.

If however there is anything we have any concerns about, even small niggles we will phone and ask you to pop in or ask for your advice. In all cases of a bump to the head your child's teacher will be informed of the accident so they can keep an eye on your child for the rest of the day.

Also we will ensure your child is wearing a bumped head sticker so everyone around them is aware that they have had an accident and can act appropriately. Thank you for your continued support.
