Dear Parents and Carers,

## RE. Home Learning

I would like to thank you for all of your support over recent days, particularly to those parents and carers who have had to work hard to find an alternative to sending their children to school. This has meant that we can keep the children of critical workers, who have no alternative than to send their children in, safe.

I am writing to inform you of the support that we are providing in order that you can continue to educate your child at home. This is in addition to the packs that were sent home with children last week and will support a more consistent approach over the coming weeks.

All resources have been placed on the school website [www.westlynn.norfolk.sch.uk](http://www.westlynn.norfolk.sch.uk) under the 'Curriculum' tab or by clicking the link below

We are suggesting that children follow the daily routine as described below:

- **Phonics (EYFS & KS1): Read Write Inc. daily lessons (please see website for sheets and links)**

There are also other links to resources on the website, feel free to use them to support your children. We will be offering the children who have to attend school the same provision as above. Unfortunately, we will be unable to print out any more packs as we need to support the government's guidelines on the lockdown.

I wish you all the very best during these most challenging of times and hope that you all stay safe. We will be monitoring the office emails, so if you need support please contact us.

I will keep in contact with you all via our usual channels.

Take care,

Ms Joanne Borley
