Friends Christmas Events Request

Bingo – Monday 1st December 6.30pm
Christmas Fayre – Saturday 6th December 10.30am – 12.30pm

The Friends of West Lynn Primary need some help with their Christmas events! You can help to make the Christmas events more successful in the following ways.

- **Fill a Jar** – We need filled jars for the Jar Tombola. You can fill a glass jar with wrapped sweets, chocolates, small toys, pennies, hair clips/bands, stationery or anything else you can think of!
- **Teddies** – If you would like to donate any unwanted, clean teddies that are in a good condition, these can be used on our Teddy Tombola.
- **Raffle Prizes** – If you have any new, unused and unwanted gifts, these can be used for our Bingo & Christmas Fayre raffles.
- **Cake/Biscuit donations** – We need these for both our Bingo and Fayre refreshment stalls and these can be dropped into school on the day of the events.
- **Christmas Jumper donations** – We are looking for any Christmas jumpers, new or used that we can have for our Christmas Fayre.

Any of the above can be dropped off at the office before Friday 5th December

The Friends of West Lynn Primary are always looking for volunteers. If you would like to help organise, share ideas or be involved with any of the meetings or events, please contact the Friends on friends@westlynnprimary.co.uk or speak to Julie Pike in the playground.

Change to Homework Challenge Event

To try and raise the profile of homework this term, we have slightly changed our open afternoons.

This term, if your child completes any of the challenge homework, they will be invited to the hall on Thursday 18th of December to present their work.

Parents are also welcome to attend from 2:55pm.

In addition to this, we will be voting in classes on the best piece of homework from each year group with an award being presented to the winner.

Thank you for your support.

Our gymnastics clubs are a fantastic way for your child to experience gym - whether they are a regular gymnast, or it's their first time!

As a 'foundation sport', gymnastics uses strength, balance, coordination, and teaches children to develop fundamental movement skills they need to lead a physically active lifestyle, as well as a healthy range of social and academic skills.
